

BRITISH AIRWAYS TATTOO POLICY

VISIBLE TATTOOS ARE NOT PERMITTED WHILE WEARING THE BRITISH AIRWAYS UNIFORM.

TATTOOS IN THE GREY AREA ARE STRICTLY PROHIBITED

- Covering tattoos in this area using makeup, plasters, rings, or similar methods is not allowed.

TATTOOS IN THE BLUE AREA MUST BE COVERED WITH UNIFORM ITEMS, TIGHTS OR SOCKS.

- This may require you to wear a long-sleeved shirt or trousers if you have tattoos on your arms or legs.
- A watch can be used to cover up a tattoo, providing it covers it entirely and remains covered, including any movement of the watch on your wrist.

THIS WILL BE VERIFIED IN PERSON DURING YOUR ASSESSMENT.

- Candidates who do not comply with the British Airways Tattoo Policy will not be able to proceed.
